CLASS DESCRIPTION

Back by popular demand, INLINE Japanese straightening system offers a moving experience with the beauty of straight hair. A range of controlling and straightening lotions are available for clients desired according to the level of straightness favored. This system removes the frizz and makes easier to manage your hair leaving your hair looking luxurious silky smooth. Less time for blow dry, stay smooth and shiny even in humidity. Inline straightening system is the hair restructuring technology

EDUCATORS BIO

Min Hee Lee started out as a hairdresser in Korea as an apprentice under the famed Sang Lee. Upon arriving in Canada in 2003, she applied her skills in creating a unique mixture of East meets West styling. Using style techniques rarely seen in North America, she has taught classes and performed on stages educating stylists. Her comical and friendly approach has made her a favorite among the audience.
