Gienny graduated from the Aveda Institute & Academy in Vancouver, BC and has been perfecting her craft for the past 8 years in Metro-Vancouver. Her passion and expertise lie in colour correction, balayage, all over color and metallics. Fanola is her go to when looking to neutralize and enhance tones.

She was featured on Narcity Top 30 Vancouver Stylist to look for in 2018. She continues to educate her client and herself through setting realistic expectations and product knowledge. When she isn't creating fabulous styles for her clients, Gienny can be found travelling both nationally and abroad for either work or pleasure.

A graduate of the Aveda Institute of Toronto, and ambassador of her graduating class, Melanie brings 8 years of professional industry experience providing the highest quality results. Melanie has been an educator and mentor in many salons she has worked in throughout Toronto and BC.

She now resides on Vancouver Island, where she owns and operates Wave Hair Studio in Victoria. She understands that colour, and corrective colour work is an individual experience for everyone, which is why choosing to use Fanola was the obvious choice: the colour quality and product versatility is incomparable.
