1989 Boundary Road, Vancouver

### FEATURES & BENEFITS

**INCA OIL:** An ORGANIC oil extracted from the seed of the inca plant, is rich in Omega 3, 6 & 9. Vitamins A, C & E and saturated fats. Inca Oil provides the ionic chemistry that allows Inca Glow to TAME, TREAT and TONE the hair all in one system

**NON-KERATIN SYTEM:** Inca Glow uses an Amino Acid Complex that allows the product to provide long lasting anti-frizz effect while smoothing and adding shine without the drying and damage sometimes associated with Keratin Straighteners

**SAFE & GENTLE:** ABSOLUTELY NO Formaldehyde or Formaldehyde substutdes which means no harsh odors, NO burning eyes and absoltely NO health risks. NO large protein molecules means NO need for ammonia or ammonia like chemicals that dry the hair
