## **Educator's Bio:**

Sunny Kambo (aka the clipper guy) specializes in alternative and creative cutting techniques utilizing clippers and trimmers. Graduated from London School of hair and currently serving as a Wahl Canada educator, Sunny brings raw old school techniques remixed with today's urban trends. With over 10 years' experience his extensive knowledge with clippers, trimmers, razors and blades help execute the perfect haircut in a time efficient manner. From straight razor shaves to tapered cuts he's got you covered. Sunny also teaches alternative cutting techniques to reduce wrist and back strain. He loves to share his knowledge and watch the industry grow. Sunny continues to keep up with this growing and dynamic industry by continuing develop his skills, as he believes education is key to positive growth.
